Number: +353 83 313 0301 / Email: sinewhooley@gmail.com

Cork, Ireland & Carlow, Ireland

PROFILE

Graduated from SETU, Carlow, with my bachelor's degree in computing in Interactive Digital Art and Design in October 2025. Graduating with a focus on UX/UI design and programming, 2D/3D interactive art development, prototype delivery and human computer interaction. This combining technical understanding with strong artistic, organisational and communication skills to support project lifecycles from planning through to the end. Detail-oriented with hands-on experience coordinating technical support operations and delivering digital projects. Familiar with efficient workflow management and cross-team coordination in a fast-paced IT environment.
